(337) 255-1670

Soccer Administrators and Coaches;

As an LHSAA sanctioned officials association, the Lafayette Soccer Referee Association (LRA) will offer its services to your school for the 2009-2010 season. The LRA and its members will comply with the 2009-2010 National Federation Soccer Rules, as well as the LHSAA rules and procedures. If you wish LRA to provide soccer officials for this season and agree with the following conditions, please sign and return a copy of this agreement, along with a check to cover scheduling fees by November 02, 2009. We will need a list of your home matches only; you can download the form from the LRA website [www.lra-soccer.com](http://www.lra-soccer.com). Select the documents hyperlink at the bottom of the page. Identify your District matches by highlight, asterix, all capital letters, or other method to signify District matches. **NOTE : Match schedules will be completed on November 09, 2009.**

Do Not Schedule Matches on the following Dates...Nov 23 Dec 7 & 21 Jan 4 & 18 Complete schedules are due **ON or BEFORE** November 09, 2009 late entries will require an additional \$50.00 **BEFORE** matches will be scheduled. Additions and/or revisions to schedules during the season require a two day notice to ensure adequate referee assignments. Matches that require rescheduling due to inclement weather should be done as soon as possible to ensure adequate referee assignments. Additional and/or rescheduled matches can be emailed to [rdejernette@cox.net](mailto:rdejernette@cox.net) if time allows, or can be called in 377.255.1670.

### Inclement Weather Cancellations

The host school, subject to any additional district requirements, has control if a match is to be cancelled due to inclement weather or poor playing conditions prior to the start of the match. The policy of LHSAA and LRA is as follows: Notification of postponements due to inclement weather must be made three (3) hours prior to the match. If the host school cancels after this time, they must pay one half of the match fees and any travel fees. The referees will have charge of the match when it has started, in which case, if a match has started and must be cancelled after the start, the full match fees along with any travel fees are due. *If a cancellation is necessary, please call Reuben DeJernette at 337.255.1670 between the hours of 1:00pm and 3:00pm, leave a message.*

### Security

The security and safety of the officials before, during, and after the match are the responsibility of the host school. Failure to provide adequate security may cause cancellation of this agreement.

### Selection of Officials

The head coach may screen / scratch up to three (3) officials. The scratch form can be obtained from the LRA website [www.lra-soccer.com](http://www.lra-soccer.com).

### Officiating Systems

The LRA will comply with the requirements and restrictions in LHSAA Article 9: Contest Officiating. LRA will use the Diagonal System utilizing a three person referee crew and will do our best to meet your expectations, however do not be surprised if your match is officiated using the "Dual System". The LRA has adopted a policy of not using a club linesperson to officiate a High School match., schools may mutually agree to use an available Official to complete the crew. The LRA will use a Dual System when officials are in short supply; a single Referee will also be a reality...every attempt will be made to limit the use of the Dual and Single System.

**Scheduler Fees : \$80.00 for High School ; \$40.00 for Freshman; \$40 for Middle School - payable to LRA** Please return with this signed agreement. Tournament Scheduler fees, due at least one week prior to the tournament as follows: \$5.00 per match with a minimum of \$25.00.

**Scheduling Matches** This year we will try different match times. Varsity will play at 6:00pm followed immediately by the JV usually by 7:45pm. The majority of our officials are employed and have regular work hours, this puts a strain on the first match starting at 5:30pm....during the Holiday Seasons this has always been a very large challenge to overcome, as matches usually start earlier in the day to accommodate the different institutions. Please be informed that you might possibly end up with a one person crew that you would otherwise strongly object too. The choice of time a match will be played is made by the Head Coach of the institution/s involved and is entirely her or his decision. LRA will continue to cover as many matches as is possible with the participating referee's. **Do Not Schedule Matches on the following Dates... Nov 23 Dec 7 & 21 Jan 4 & 18** we have scheduled meetings to comply with LHSAA procedures.

### Postponements

If the assignor is not notified one day prior to the postponement or cancellation of a match, the host school will pay one half of the match fees and full travel fees. LHSAA 9.5.2
